**Subject : Depositing of Money by patients or their relatives in Public Welfare
Fund/ and donation of blood.**

It has been suggested by the HoD (CTVS) on 20.05.2015, that patients and their relatives are depositing the money in patient welfare fund and donating blood etc. for operation much in advance, which is not appropriate and causing harassment to patients.

In this regard, it has been decided that the funds to be deposited by the patients in patient welfare fund (PWF) for the purchase of their devices / disposables etc. and donation of blood will be accepted only after the patient is admitted in the hospital/institute and duly approved by the Head of the Department concerned.
